HELP A CHILD GROW AT THE BOYS & GIRLS CLUB

- **Character and Leadership** – Club Members are empowered to become global citizens who support and influence their community. They love to participate in our mock elections – check out our website for the results.
- **Education and Career Development** – Our youth become proficient in basic educational disciplines and learn to set goals, explore careers and prepare for employment. We help provide employment opportunities for teens.
- **Health and Life Skills** – BGCC helps develop the capacity to engage in positive behaviors that nurture their well-being. For example, we teach how to plan and cook healthy meals. Teens hold Top Chef Cook-off contests, take home tips for nutrition, portion control and also develop ability to read and understand food labels.
- **The Arts** – Club members develop their creativity and cultural awareness skills. During Summer Camp Club Members perform on stage with singing and dancing for an audience.
- **Sports Fitness and Recreation** – Children learn to swim and compete in our two pools and have access to their new golf academy. We have Basketball, baseball and many other activities.
